DIRECT POS ONBOARDING GUIDE

Select your POS provider:

BINDO	INFRASYS	SALIDO	SQUIRREL	QUADRANET
EVERYWARE	LIGHTSPEED	SILVERWARE	TISSL	
INFOGENESIS	REVEL	SIMPHONY 2.7+	TOAST	

BINDO:

1. Please reach out to your SevenRooms onboarding specialist to request the SevenRooms x Bindo integration.
2. SevenRooms will email the required credentials to Bindo Support so they can set up the integration.

EVERYWARE:

1. Please reach out to your SevenRooms onboarding specialist to request the SevenRooms x Everyware integration.
2. SevenRooms will email the required credentials to Everyware Support so they can set up the integration.

INFOGENESIS:

1. Please reach out to your Infogenesis representative to ask for the Infogenesis x SevenRooms integration.
2. Your SevenRooms onboarding specialist will provide Infogenesis with the required credentials so they can set up the integration.
3. Infogenesis will set up a plan and schedule with you to implement the integration and will let you know once the integration is complete.

INFRASYS:

1. Please reach out to your Infrasy representative to ask for the Infrasy x SevenRooms integration.
2. Your SevenRooms onboarding specialist will provide Infrasy with the required credentials to set up the integration. They will reach out to you once the integration is complete.

LIGHTSPEED:

1. Please email your SevenRooms onboarding specialist providing written consent for the SevenRooms x Lightspeed integration. **Here's an example:**
My name is [insert your name]. I authorize the SevenRooms x Lightspeed integration for [insert venue name].
2. SevenRooms will email Lightspeed Support this written consent and request the required credentials so they can set up the integration.

REVEL:

1. Please reach out to your Revel representative and ask for:
 - **Revel domain URL** – Ex. store.revelup.com
 - **Revel API key**
 - **Revel API secret**
2. Send that information to your SevenRooms onboarding specialist. They will reach out once the integration is complete.

DIRECT POS ONBOARDING GUIDE

SALIDO:

1. Please email your Salido representative to let them know you will be integrating with SevenRooms.
2. Salido will need to provide your venue's '**Location id hash**'. Forward this to your SevenRooms onboarding specialist so they can set up the integration.

SILVERWARE:

1. Please email your Silverware representative to let them know you will be integrating with SevenRooms. Silverware will need to provide SevenRooms with the following information to set up the integration:
 - **Restaurant ID/Location ID** – This should be in a URL format.
 - **Silverware Restaurant Secret**
 - **Revenue Center ID (SQL GUID)** – This is only required if your venue has multiple revenue centers.

SIMPHONY 2.7+:

1. Please reach out to your Oracle representative to ask for the Guest-Facing Transaction Services License if you do not already have it.
2. Let your SevenRooms onboarding specialist know that you have acquired the TSS license, and they will put you in contact with a integration specialist who will work with you to get the integration completed.

SQUIRREL:

1. Please reach out to your Squirrel provider to ask for the Acorn x SevenRooms Squirrel integration.
2. Your SevenRooms onboarding specialist will provide Squirrel with the required credentials to set up the integration and will email you once Squirrel has enabled the integration.

TISSL:

1. Please email your TISSL representative to request the SevenRooms x TISSL integration. Confirm with your SevenRooms onboarding specialist once you have contacted TISSL.
2. Your SevenRooms onboarding specialist will provide TISSL with the required credentials to set up the integration and will email you once TISSL has enabled the integration.

TOAST:

1. Please log-in to your Toast account and navigate to the "**integrations**" page and select SevenRooms.
If you're having trouble finding the integrations page, please reach out to your Toast rep for assistance.
2. Email your SevenRooms onboarding specialist once this is done. We will handle the rest from there!

QUADRANET:

1. Your SevenRooms onboarding specialist will email Quadranet and provide the required credentials to set up the integration.
